

## Chainhold Assembly & Installation

### ASSEMBLY

1. Place bead chain on the bottom groove of the Chainhold base.
2. Snap cover onto the base.
3. Pull the chain out of the groove.

### INSTALLATION

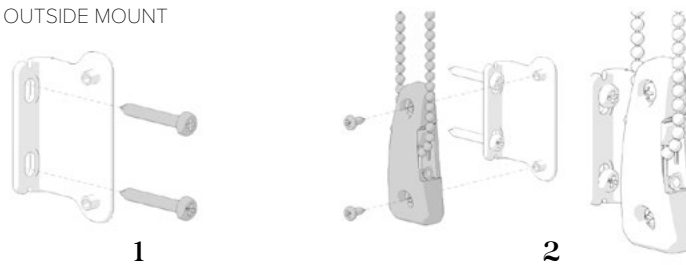

1. Pull the Chainhold down until the chain is fully tensioned (plunger will be fully raised).
2. Mark screw hole locations.
3. Screw device into wall.

### ADDITIONAL MOUNTING OPTIONS

1. With provided screws, install bracket first with large screws (use Chainhold marked screw hole locations as reference).
2. Install Chainhold into bracket with small screws.
